**New Multimedia Website Helps Parents and Children Learn
the Simple Life Lessons for Financial Success, Wealth and Abundance**

**Authors of *Lessons to My Children* Unveil Their Online Financial Literacy Resource
LessonsToMyChildren.com**

Washington, DC (PRWEB) August 18, 2010 – Navigator Wealth Management, LLC, launched <http://www.LessonsToMyChildren.com> - a multimedia website featuring videos, financial and budgeting tools, social media communities, Weekly Wealth Lessons™, and a timely, information-rich blog designed to help families learn and apply the life-changing financial lessons revealed in the new book ***LESSONS TO MY CHILDREN: Simple Life Lessons for Financial Success, Wealth and Abundance***.

“We are thrilled to open up this portal to financial success,” said Navigator Wealth Management founder and co-author Mark Cohen, “We want to arm parents and their children with all the online tools and resources they need to find firm footing on the road to financial success, wealth and abundance. LessonsToMyChildren.com puts the power of our 11 simple life lessons at your fingertips.”

“Our book is the blueprint for a stress-free financial life and LessonsToMyChildren.com provides the toolbox to build that solid future,” said Navigator Wealth Management CEO and co-author Wes Burnett. “The book and the website work together to provide a comprehensive curriculum of financial literacy and continuing education that will appeal to users of all ages.”

About the Book:

LESSONS TO MY CHILDREN illustrates the basics of financial literacy - from budgeting to investing – with real life stories, time tested practices, and easy to understand advice that will help both parent and child take control of their financial futures. *Lessons to My Children* is the financial advice every parent should give their children – and the wisdom children of all ages should follow!

Lessons to My Children: Simple Life Lessons for Financial Success, Wealth and Abundance
